WinMan Trails personifies the Northwoods outdoor lifestyle. From its humble beginnings in 2012, to our current 40+ miles of unique trails, WinMan has become a favorite destination for locals and visitors who love to bike, ski, hike and snowshoe.

This is why we're dedicated to expanding and refining this premier, 4-season trail system. With a focus on building new trails, new trail features, and functional engaging gathering spaces, WinMan will become more than just an amazing trail system. Your gift will help us become a community hub that truly embodies the Northwoods lifestyle: play hard, explore, and reconnect.
