

## 2023/24 WinMan Trails Membership

One of the best ways to support WinMan Trails is by joining as a member.

A strong community of members has huge impacts, well beyond just financial support. It boosts our fundraising potential, demonstrates our positive impacts on the community, and promotes the development of trails for silent sports across the region.

Everything we raise through membership goes directly towards our trail building projects. So the next time you land a jump, stride forward or fly down a hill know that your membership helped make that trail happen.

Membership includes:

- Special members-only messaging each quarter so you're the first to know about future trail plans and projects at WinMan Trails
- The opportunity to help shape the future of WinMan Trails through members-only surveys (October and April)
- Invites to exclusive events and programs designed just for members including our Members Appreciation Weekend on Labor Day Weekend
- Gift card to the WinMan Bar and Apparel Shop (\$5 for seasonal, \$10 for annual)
- Area discounts exclusively for annual Family and Individual members:
